

March 21, 2020

Dear Parents, Students and Friends of the Louis "Satchmo" Armstrong Summer Jazz Camp,

The outbreak of COVID-19, now declared a global pandemic by the World Health Organization, is on everyone's mind. Many have contacted us with questions regarding the up-coming camp.

As of now, our plans are to have camp on the dates previously announced. In the event things should change, we will announce all rescheduled dates as soon as possible. Our schedule is also dictated by the availability, policies and plans of Loyola University officials.

If camp is cancelled all registration money will be promptly refunded.

We will continue to evaluate the situation as it evolves and will follow the directions and guidance provided by local, state, and federal agencies.

We appreciate your patience and will keep you in our prayers and ask that you do the same for us. Please take care of yourselves and your immediate and extended families.

Prayerfully,

Sybil Morial
President

Jackie Harris
Executive Director

Kidd Jordan
Artistic Director
